Raul,

Per our conversation, we are bidding on a Caltrans project on Hwy 1 just South of Fort Ross. There is about 14,000 CY of import fill material we need to haul in, and there is about 30,000 CY of surplus material to haul out.

Please provide your company's trucking rates. The off-haul, unless done by an owner operator, will be subject to prevailing wage.

Also as discussed, please provide information/pricing for any potential disposal sites for the surplus material.

Thank you,
Justin
